3. All 10 year old dancers and older must qualify at their regional Oireachtas
4. The top ten (10) dancers plus 25% of the competition at the regional Oireachtas in each age category will qualify, subject to recall at that Oireachtas. (7/2010) *(amended at the Mini Convention 2/2017)*

[Per IDTANA rule passed July 2010]

NOTE: Preliminary dancers who achieve their *required* first place wins by May 1st, 2018 and opt to enter based on Rule 1 (*above*), must enter all future feiseanna as an Open Championship dancer. *[Per IDTANA rule passed July 2006]*

NOTE: Qualified pupils of a hired adjudicator may defer their qualification to the following year's event. *[Per IDTANA rule passed July 2006]*

RULES:

Where the syllabus for the North American Championships and the IDTANA Rule Book are silent on an issue, it is understood that the rules as found in the syllabus for Oireachtas Rince na Cruinne, as published by An Coimisiun le Rinci Gaelacha, shall apply.

Age: A competitor's age will be determined as of January 1st, 2018. **Please see important note regarding proof of date of birth submission located under "Entries."** All solo competitors must compete in their own age group. Dancers in team competitions may compete in their own age group or higher, but they may NOT compete in an age group lower than their actual age. Girls MAY compete in both girls' ceili and mixed ceili competitions in the same age group. Mixed ceili teams must consist of at least two (2) boys. At least 50% of each team must be competing in the proper age group. 25% of each team may repeat from the immediate younger age group, and may do so only once in each event, i.e. once in Girls' Ceili and once in Mixed Ceili. In Figure Choreography competitions, up to 50% of a team in the Girls' Choreography may repeat in the Mixed Choreography provided that no more than 50% of the team is a repeat from the girls' team. A mixed Choreography must consist of at least one (1) boy.

Splits: Where the number of entries reaches 150 or more, the competition will be divided into an A and B split. The method for splitting competitions will be as follows: the competitors will be randomized. Tabulators will apply the current parameters and then the competition is split in half. *[Per IDTANA rule passed June 2015]*

Music: Reel/Jig - 48 bars must be performed. Slip Jig/Hornpipe - 40 bars must be performed. For solo competitions, musicians will play 8 bars of introduction and then 40 bars of slip jigs/hornpipes or 48 bars of reels/treble jigs only. Dancers must start after the 8 bar intro and dance for full 40 bars of slip jig/hornpipe or 48 bars of reels/treble jigs. Set dances will be played with step introduction then right & left of the step, followed by the set on the right foot only. Dancers will not be permitted to dance beyond the end of the allotted music.

16 bars of music will be played by the musicians **prior to the commencement of each of the first two rounds** of each solo championship. *(Per IDTANA Rule passed July 2016)*

Official musicians will play for all solo and ceili events.

Music (con't.): Teams in the Figure Choreography and Dance Drama competitions must supply their own pre-recorded music. All teams **MUST** have their music on an IPOD or MP3 player. All teams must have someone from their school to work their device (not teachers). Note: Each stage will be equipped with a 1/8 jack (IPOD) connector. *[Per IDTANA Rule passed July 2013]*

Speeds: Speeds for all dances in solo events will be in accordance with officially recognized speeds as set forth by An Coimisiún le Rincí Gaelacha. Metronomes will be in use at each stage. Dancers **MAY NOT** use their own metronomes.

Traditional Sets: St. Patrick's Day (94), Job of Journeywork (138), Blackbird (144), Garden of Daisies (138), Jockey to the Fair (90), King of the Fairies (130), Three Sea Captains (96).

Solo Championships: Championships will commence with the hard shoe round followed by the soft shoe round. Dances will be as stipulated in syllabus.

For U8-U15, dancers will perform the first round (hard shoe) three at a time. In all other age groups, dancers will perform the first round (hard shoe) two at a time.

For all age groups, dancers will perform the second round (light shoe) two at a time.

Competitors who are recalled to the third round will perform a set dance of their own choice from the official list of set dances. The recall round at the NAIDC shall be a set dance of the dancer's choice except for: The Under 8 and Under 9 age groups which shall be a traditional set of their choosing and the Under 10 age groups which shall be a set dance in 6/8 or 9/8 time signature *[Per IDTANA rule passed June 2015]*

Traditional Sets will be danced one at a time, and must be from the above list. All traditional sets will be danced to speeds as noted which have been set forth by An Coimisiún le Rincí Gaelacha.

Adjudication: There will be a panel of 7 adjudicators. Each competitor's high and low scores will be dropped prior to the recall and for the final result. Competitions will be out of 500 points.

Line of Sight of Adjudicators: Teachers and dancers wearing clothing depicting their school names will not be allowed side-stage at major events in North America to interact with competitors once they are in line to compete and/or to greet dancers at the other side of the stage after their performance if it is in the line of sight of the adjudicators. *[Per IDTANA rule passed July 2013]*

Check in: Dancers must report to the Stage Manager 30 minutes prior to the scheduled start time for their competition. Once the first dancers have commenced dancing, late arrivals will not be permitted to compete. In the case of a medical emergency, dancers will be allowed to dance at the discretion of the Stage Manager at the end of the competition. **HOWEVER**, a dancer who is checked in but is not present to dance at the appropriate time will be disqualified from that round. *[Per IDTANA rule passed June 2006]*

Rotations: The draw for starting numbers will be done randomly by computer and posted. The starting number for Round 2 will be 1/3 of the competition added to the first round's starting number. The starting number for Round 3 will be 1/3 of the competition added to the second round starting number. Dancers must follow the rotation as listed in the official program book.

Ceilis: Teams may perform any 8-hand dance from the official list published by An Coimisiún le Rincí Gaelacha and may choose their metronomic speed. All teams must dance with the top couple's backs to the adjudicators. All dances must be performed through the completion of a **figure of choice**. All ceili dances will be danced according to the requirements of the Oireachtas Rince Na Cruinne syllabus, **in terms of duration of the dance and the conclusion of each dance only**. [Per IDTANA Rule passed July 2010]. A mixed ceili team must have at least two male dancers (25% of the team). The minimum age for Adult ceili is 18 years. Such adults may not have competed dancing in solo or ceili dancing for at least five (5) years. [Per IDTANA Rule passed July 1992].

Figure Choreography: Will be governed by the CLRG Rules as published in the 2018 Oireachtas Rince Na Cruinne syllabus (www.clrgr.ie). However, at the NAIDC, any mixed figure choreography team is a team that has at least one boy, regardless of the World Championships rules, provided that no more than 50% of that mixed team consists of girls repeating from the girls' choreography competition in the same age group. [Per IDTANA Rule passed July 2010] Teams may use their own narrator to read the story. Any narrator may not be dressed in a school uniform or colors, or any attire that identifies the school. No TCRG affiliated with that school will be permitted to read the story. Teams must supply their own music. All teams MUST have their music on an IPOD or MP3 player. All teams must have someone from the school to work their IPOD (not teachers). *NOTE: Each stage will be equipped with a 1/8 jack (IPOD) connector.* [Per IDTANA Rule passed July 2013].

Dance Drama: Will be governed by the CLRG Rules as published in the 2018 Oireachtas Rince Na Cruinne syllabus (www.clrgr.ie.) There is a 15 minute time limit from start to finish including setup, reading of story, performance and dismantling of stage set.

Story and Music: Narratives must be typed and eight (8) copies must be submitted one hour prior to the competition. Teams may use their own narrator to read the story. Any narrator may not be dressed in a school uniform or colors, or any attire that identifies the school. No TCRG affiliated with that school will be permitted to read the story. Teams must supply their own music. All teams MUST have their music on an IPOD or MP3 player. All teams must have someone from the school to work their IPOD (not teachers) *NOTE: Each stage will be equipped with a 1/8 jack (IPOD) connector.* Stories for Dance Drama may not be read by anyone wearing clothing on which the school name appears, other than a dance costume. [Per IDTANA Rule passed July 2013].

Artificial Carriage Aids: Any competitor found to be using artificial carriage aids and subsequently refuses to remove the same will be subject to disqualification from that particular competition. Medically prescribed apparatus (proof of which will be required) will be exempt from this ruling.

Make Up: Competitors in Under 8, 9 and 10 solo and team events are prohibited from wearing make up or false eyelashes per CLRG rule 4.5.2, implemented as of March 1, 2014.

Scoring: All IDTANA rules apply to these competitions. When the first two rounds in a championship have been completed the official points system will be used to place the competitors in order of merit over the two rounds. The high and low for each competitor will be dropped. On the basis of that order of merit, one half of the number of competitors who danced will be recalled for the set-dance round. In competitions with fewer than 20 dancers, all will be recalled for the set-dance round.

- Any dancer who does not complete the first 2 rounds of competition cannot be recalled to dance in the third round. *[Per IDTANA Rule Passed 2009]*. In all competitions, only recalled competitors will perform their set-dances.
- Any dancer who does not complete the 3rd round of competition will automatically receive a ZERO for that round from all adjudicators and is not eligible to be recognized in the awards, except as a recalled dancer. Any points allotted to that dancer will stay with that dancer *(Amended July 2017)*
- Where a dancer fails to complete his / her performance in any given round, that dancer will be given zero marks by each adjudicator for that round.
- Completion of the round is at the discretion of the adjudicators. *[Per IDTANA Rule passed July 2009]*

Awards: All dancers (solo and team) must be in full costume to receive awards. All dancers shall receive a participation item. All dancers in the recall shall receive an official IDTANA recall medal provided they completed their third round. A minimum of 25% of the recalled dancers shall also receive a unique (event-specific) award, however the hosting region may elect to award an amount greater than 25%. The number of awards for each event will be determined by the number of dancers/teams who actually compete in that event. In all cases, dancers are responsible for their awards after the awards presentations. The committee will not replace any damaged or lost awards.

Winners of perpetual awards have the option to sign a release form to take home the award or decline to sign the form and subsequently decline to take home the award. Finally, teachers (registered to CLRG) of the winning solo dancers will be invited on stage to be recognized provided they are appropriately dressed to do so. Teachers (registered to CLRG) of top three winning teams, will also be acknowledged onstage. Estimated award ceremony times will be listed in the program book, but they are subject to change or adjustment.

Qualification for Worlds: Qualifiers will be assessed and announced, based on the number of dancers who actually dance, applying the current formula of CLRG. Presently, there is no replacement opportunity to attend Oireachtas Rince na Cruinne when a qualified dancer from the NAIDC cannot attend due to judging conflicts.

Mishaps: Should a dancer fall, slip or bump into another dancer on stage, whether in solos or in teams, the adjudicator **MUST** ring the bell to stop the performance of the dancer(s). Dancers so affected will be permitted to re-dance and will be marked at the discretion of each individual adjudicator. Should in the opinion of the stage manager, having obtained medical advice if necessary, a dancer be deemed unfit to re-dance and if such dancer insists on his/her right to do so, then the dancer concerned will only be permitted to re-dance on completion of a declaration form exonerating IDTANA of liability for any consequences. Any repeat accident / incident which results in that dancer being unable to complete the required number of bars of any round will result in the dancer withdrawing without question, from the Championship.

Dancers being stopped by the adjudicators due to a mishap in the last eight (8) bars of any performance, shall only be required to dance the last sixteen (16) bars of that dance again at a time convenient to dancers, adjudicators and stage managers. Where feasible, dancers will be brought back no sooner than three rotations, and no more than five rotations.

RULES . . .

Mishaps (cont) A competitor must not walk off the stage during a performance unless instructed to do so by an adjudicator. A dancer who dismisses themselves from the stage without the permission of adjudicators will not be marked for that particular dance.

If at any point during a performance on stage an adjudicator feels that, due to the health or safety of a performer on stage, the performance should be stopped, the adjudicator must ring the bell.

If a dancer falls and recovers, that dancer may still place in the top three of the final result. Should a dancer lose a heel or a complete shoe, he or she may stand back - allowing the other dancer(s) to continue dancing uninhibited. In such a case the dancer concerned will be permitted to re-dance without penalty as soon as it is deemed practical by the Stage Manager.

Mischief: Any person caught damaging property (whether private property or that of the hotel and/or the organization) will be requested to leave the premises immediately and will not be permitted at any remaining events during the Championships. All parties involved will be billed for damages. Parents/Guardians are fully responsible for the actions of their children. IDTANA and the venue owners will not be held responsible for personal injury, property damage, loss or any claim.

Refusals: The IDTANA Host Committee reserves the right to refuse any entry.

Schedule: The IDTANA Host Committee reserves the right to limit or postpone any event. It also reserves the right to make changes or adjustments to previously announced schedules or timetables as necessary.

Competitions MAY start early if schedule allows.

Syllabus: Should a published NAIDC syllabus be found to be in conflict with a CLRG rule/regulation which is passed AFTER said publication, the IDTANA will request an exemption from this new conflict (*Per IDTANA rule passed June 2015*)

Decisions: All decisions made in accordance with the rules for this event and all IDTANA rules are final. All decisions made by adjudicators in accordance with the rules for this event and all IDTANA rules are final.

Appeals: Legitimate complaints must be submitted to the IDTANA Committee Chairperson(s) **IN WRITING AND SIGNED** by the dance teacher involved. All such appeals must be submitted no later than one hour after the completion of the competition, cite the specific rule(s) broken and must be accompanied by a **USD\$150.00 cash fee**. If the appeal is upheld, the fee will be returned.

Videos: No use of video recorders, movie cameras, camcorders or any camera/cell phone that is capable of taking videos will be allowed in the competition halls, except for news media as approved by the Chairpersons of the event. No flash photography is permitted during competitions.
